# OUR PROCESS

We find the best grant opportunities for you.  
No search required.

FEDERAL - STATE - LOCAL - PRIVATE FUNDERS

## 842,950

**Grants Posted in 2023 (estimate)**

Hundreds of grants open and close in our database every day, amounting to \$200B+ up for grabs at any given time.

## 25,000

**Grants in our Database**

We start with a scan of our entire grant database - the largest in the U.S.

## 5,000

**Active Grants**

We filter out grants that aren't currently accepting applications today.

## 500

**Eligible Opportunities**

We scrutinize grants to ensure they meet your eligibility factors and geographic relevance.

## 100

**Opportunities Pass our Semantic Analysis**

We translate each grant into context-based numerical codes. We analyze these codes against your profile to determine the degree of alignment with your funding objectives.

## 10\*

**Intelligent Prospects**

We leverage advanced language models to assess and rank prospects based on their suitability and probability of success.

# TESTIMONIALS

“GrantExec is the bomb!! They are so helpful at finding grants.”

- Jessica Carter, H.E.R. Sports

“Because of GrantExec, we've been able to apply for and win grants that we didn't even know existed, significantly boosting our funding potential.”

- Karen Joseph, Food For Neighbors

“Thrilled with our experience at SHI working with GrantExec! Their team really understood our unique needs, guiding us to the right grants and providing exceptional, personalized service. Big thanks for connecting us with a SBIR expert, paving our way forward.”

- Jen Gamboa, Sustainable Health Index

“GrantExec quickly matched us to several aligned grants. Even more important is that the staff created a clear plan to ensure that we'll be successful in securing them. I could not be happier with GrantExec's support.”

- Maria Gutierrez, GrooveNYC

“The team at GrantExec is amazing to work with! They are a key partner as we seek to achieve our long-term goals.”

- Leslie Chang, Caelux Corporation

“It's rare to find a service that combines innovative technology with genuine warmth and personalization; GrantExec does exactly this and more. The service identified a myriad of grant opportunities specifically tailored for my healthcare startup with unerring accuracy.”

- Dr. Monika Virk, HOP Into Homecare

“GrantExec saved us countless hours of legwork. With their report in hand, we were able to jump right into applying for grants. We were matched with foundations we never would have found on our own. Thanks to GrantExec, we are well on our way to developing new funding streams for our organization. Thank you, GrantExec, for being a key partner in our work of building a community where all are fed.”

- Rev. Meredith Keseley, Abiding Presence Food Pantry

“Thank you for the excellent information provided by GrantExec regarding grant funding for my small woman-and-minority-owned business. GrantExec saved me valuable time by eliminating the need to do extensive searches.”

- Lisa Sechrest-Ehrhardt, Ph.D., Sechrest Diversity

“GrantExec is an essential resource that allows our government relations team to help connect our clients with available grant opportunities.”

**DENTONS**

- Jordan Cooper, Managing Director, Dentons LLP
